SUMMARY REPORT

The course titled INTRODUCTION TO PYTHON PROGRAMMING introduced for students from various streams in the college who are interested to learn python programming. 9 students who are interested in the programming from other stream joined the course. Course started on 11.08.2020 in online mode. Theory classes were discussed in the online mode and students were able to do the practical with the help of PYdroid Application. From 12[th]December 2020 onwards course shifted to offline mode and students could practice the programming in the computer lab of the college. We have finished the course successfully on 30st March 2021.
