DECENTRALISED GOVERNANCE

6.1. The governance and leadership is in accordance with the vision and mission of the institution and it is visible in various institutional practices such as decentralization and participation in the institutional governance.

Government College Kasaragod is guided and inspired by a glorious vision to use our physical, mental and intellectual energies to the advancement of the individual and the society, to strive for the noble cause of education, truth and righteousness, to instill a sense of pride and emotional belongingness in the mind of every individual. The College's mission is to achieve the overall development of the students with a focus on every individual. The College's mission is to achieve the overall development of the students with a focus on knowledge, skill and the right social attitudes and service-mindedness required for attaining excellence in personal as well as social life. The policies and practices of the government system of this college are induced by the above mentioned vision and mission.

Governing Body	The practices of governance are guided by the government orders and circulars from the Kannur University. The Principal, Office Superintendent and IQAC coordinator occupy major roles in the governing system of the college. Various institutional mechanisms like College Council, the Internal Quality Assurance Cell and College Development Council assist them to materialize the set aims of the College.
College Council	The College Council is the apex body vested with the power to decide on the functioning of the college. The college Council conducts fruitful discussions on administrative and academic matters. They espouse policy decisions in tune with government policies, execute the decisions, supervise the functioning of all the cells and committees and delegate the duty among the staff.
