### Activity report-Nature Club

1. Under the Earn While You Learn Programme (EWYL) of directorate of Collegiate Education, members of the nature club formed a 'Karshakasangham'. An Organic Kitchen Garden has been set up in the college campus and the organic vegetables produced were distributed to teachers and students. Eight different types of vegetables were cultivated and the students were given remuneration of Rs.100/-per hour utilizing the fund under EWYL programme. Thirty students participated in the programme.
2. A nature education camp has been organized by Nature Club in collaboration with Bhoomithrasena Club and Biodiversity Club at Silent Valley National Park, Palakkad District. The participants trekked in the forests of Silentvalley and attended nature education classes conducted by the forest department. 34 members attended the programme.
3. A campus walk (Walk with VC) has been organized by Nature club, in Collaboration with Bhoomithrasena club and Biodiversity Club. There are 20 participants in the programme. Sri V C Balakrishnan, renowned environmentalist led the programme. The participants walked along with the expert and identified the fauna and flora of the campus and understood many traditional knowledge and information.

### Science Day Celebration

National Science Day has been celebrated in the college on 28th August 2023, commemorating the epoch making discovery of Raman Effect by Sir C V Raman on this day on 1928. The programme was co organized by Govt. College, Kasaragod and Kerala Academy of Sciences Thiruvananthapuram. Prof. Mini P K, Head of the department of Agricultural Engineering, College of Agriculture, Padannakadu inaugurated the celebration and given the Science Day Message. Dr. A L Ananthapadmanabha, Principal, Govt. College, presided the function. Prof. Rajendra Pilankata, department of Biochemistry and Molecular Biology delivered a lecture on sustainable development and Emerging infectious diseases and Prof. Swapna S Nair, Department of Physics, Central University of Kerala delivered a lecture on Nanotechnology and Internet of Things on this occasion. More than 100 students, Teachers and research scholars from various science departments participated in the programme.

## Government College Kasaragod De addiction Cell

Government College, Kasaragod constituted a de-addiction club in association with NSS and Excise Department, Govt. of Kerala in the year 2022-23. The programmes of the club aimed at creating awareness among the adolescents and youth about the socio-economic and ill health of addiction and the need for professional help to treat addiction in order to lead a healthy and meaningful life.

The club conducts student-level activities like open forum discussions on the harmful effects of drug abuse and alcoholism, lectures by experts, meeting with parents and teachers etc in collaboration with College NSS UNIT. The cell also conducted an awareness programme on "De-addiction" on 2.12.2023 for the first year degree students. The club conducted a Quiz competition on "De addiction" on 5.12.2023. Sneha SV from I DC Botany and Sandra Jayan from I DC Botany won the 1st Prize (Rs.750) and IInd prize (Rs.500) respectively.

De-addiction club in association with NSS unit, Government College, Kasaragod conducted an awareness programme on "De-addiction" on 7-11-2022 for first year degree students by CKV Suresh, Excise Preventive officer Kasaragod. The future activities of the club involve conducting rallies, wall writing, poster campaign, essay writing competition, identification of addicts and counselling by experts etc.
