Certificate of Collaboration

This certificate is awarded to

Government College Kasaragod
Vidyanagar
Kasaragod 671123

In recognition of the establishment of a collaborative partnership between the Department of Atomic and Molecular Physics, Manipal Academy of Higher Education from the year 2021-22 onwards

This collaboration signifies a shared commitment to expand the research activities and student exchange between the partners. By joining forces, both organizations will leverage their unique strengths and resources for the benefit of their respective stakeholders as well as the development of science and technology.

Areas of Collaboration:

Photonics and Nanosciences: The collaboration will facilitate joint research activities, project submissions to the funding agencies, and short-term student research internships, between stakeholders Government College of Kasaragod and Manipal Academy of Higher Education. Together, the collaborating institute involve in research and development activities that have a societal impact. Through the collaboration, the Department of Atomic and Molecular Physics, Manipal, and Government College, Kasaragod committed to nurturing a relationship built on trust, respect, and shared goals. The partnership exemplifies the spirit of cooperation that addresses societal challenges.

We hereby present this Certificate of Collaboration to Government College Kasaragod as a testament to our mutual commitment to fostering innovation, knowledge exchange, and academic collaboration.

CERTIFICATE OF COLLABORATION

This certificate is awarded to

Government College Kasargod
Vidyanagar
Kasargod 671123

In recognition of the establishment of a collaborative partnership between aiRender Technology Pvt Ltd (hereinafter referred to as aiRender) and Government College Kasargod from the year 2020 onwards.

This collaboration signifies a shared commitment to build a 3D holographic display prototype for aiRender through a combined effort in sharing the technical expertise of the professors and post graduate students from the Government College Kasargod and the employees from aiRender, and the lab facilities and equipment. By joining forces, both organizations will leverage their unique strengths and resources for the benefit of their respective stakeholders and for benefit of the broader community by prototyping a 3D holographic display product to be used in 3D video conferencing in several applications like tele-consultation, tele-commute, remote tutoring/learning, etc.

Areas of Collaboration:

- Building a 3D holographic display prototype using Digital Micromirror Device. The collaboration will facilitate joint research projects, and internships for students, encouraging collaboration between faculty members and students of the college, and aiRender.
- By collaborating, aiRender and Government College Kasargod commit to nurturing a relationship built on trust, respect and shared goals. This partnership exemplifies the spirit of cooperation and the pursuit of excellence in 3D holographic display development.

We hereby present this Certificate of Collaboration to Government College Kasargod as a testament to our mutual commitment to foster innovation, knowledge exchange, and academic-industry collaboration.

Collaboration with IAM Centre of CA, ACCA and CMA

Areas of Collaboration: Student training programme for preparing students for CA/ACCA/CMA and NEET/IIT-JEE

To Head Comm
A.L.L
14/3/2022

The Principal
Government College
Kasaragod

Dear Sir/Madam,

Subject: Proposal for Student Training Program

Warm Greetings from IAM Business School

We M/s **IAM Business School**, Kasaragod, the front runner in preparing students for **CA/ACCA/CMA/CS and NEET/IIT-JEE** have been scripting success and guiding students to successful careers for over a decade. With a team of experienced and efficient faculty, result oriented course plan, well-equipped classrooms and facilities to create the best ambience for academics, and resourceful study materials, we provide the best guidance to our students and train them to be the best and experienced professionals.

We also conduct training programs for helping the students enhance their performance in their exams and choose the best career for them, viz.

- **Mind Tuning for Easy Exams**
- **Insight into CA, ACCA, CMA, CS, NEET and IIT-JEE**
- **Talent Search Scholarship Examination**

After receiving excellent feedbacks and appreciations from all the institutions we conducted the trainings, we are enthusiastic to organize the program in your esteemed institution.

Please let us know a convenient day for you at the earliest.

Feel free to contact us for any queries.

Thanks & Regards

JISHAD MK
Admissions Officer

Industrial Visit to Doddabetta Tea Factory and the Tea Museum

**Doddabetta Tea Factory
And the Tea Museum**

INDUSTRIAL VISIT CERTIFICATE

This is to certify that students of
Department of Commerce, Government College Kasaragod
visited The Doddabetta Tea Factory and the Tea Museum on 02-04-2022
They were given first hand information of the entire tea history and processing.
They participated in a guided factory tour in which the history of tea and the
different stages of tea processing like withering, crushing, cutting / tearing /
curling (CTC), shaping, fermentation, drying, cleaning and grading was
explained to them. The students evinced keen interest in knowing all aspects
about tea manufacture.
