1.2 ACADEMIC FLEXIBILITY

1.2.1 Number of Certificate/Value added courses offered and online courses of MOOCs, SWAYAM, NPTEL etc. (where the students of the institution have enrolled and successfully completed during the last five years)

Queries during DVV: HEI to pl note: Repetition of Add on/Certificate/Value added programs in every year during assessment period to be counted one only. Note: Avoid programs conducted under regular university curriculum. and Avoid considering certificate / add on / value added programmes of less than 30 hours. Pl check and update.

Responses to Queries (DVV) Metric ID-1.2.1

1. We have carefully analyzed the details and avoided repetitions of these programs. Excel sheet is given.
2. Now we included the programs that meet the specified criteria only.
3. 28 add-on/certificate courses, we have confirmed that they align with the mentioned criteria and all the supporting documents are given for DVV clarification.
4. The programs were conducted independently of the regular university curriculum. Each program has a duration of at least 30 hours.
5. We wish to make it clear that the course "Introduction to Python Programming" and the course "Data Analysis with Python" offered during the academic year 2020-2021 are distinct programs administered by separate departments. "Introduction to Python Programming" is organized by the Computer Science Department, while "Data Analysis with Python" is administered by the Physics Department.
