5.2 STUDENT PROGRESSION

5.2.2 Percentage of students qualifying in state/national/ international level examinations during the last five years

Queries during DVV: DVV input as per that One student qualifying multiple exam in a year will be counted once. Note: Qualifying Certificates of the all students mandatory for claim. Provided link not opening. pl check

Responses to Queries (DVV) Metric ID - 5.2.2

1. We have carefully reviewed the data by the DVV input guidelines.
2. We report that our claims under this metric remain consistent for all years, except for the academic year 2020-2021. In that year, we observed an increase of 14 students who met the qualifying criteria.
3. We have included all the necessary supporting documents (qualifying certificates) to substantiate this change.
4. We have included qualifying certificates of students of all five years.
