CLARIFICATION FROM PRINCIPAL

I, Dr. Ananthapadmanabha A. L., Principal of Government College Kasaragod, hereby submit this declaration to rectify an inadvertent error in our initial data submission under Metric 5.2.1.2 (Number of outgoing students year-wise during the last five years) as part of the assessment process.

We wish to bring to your attention that, during the initial submission, an error occurred in which we inadvertently entered the same value of 500 students for each academic year over the last five years. We acknowledge this as an error, and we sincerely regret any confusion that may have arisen due to this inaccurate data.

Upon thorough review and analysis of result statistics provided by affiliating university, we have identified deviations from the data we originally provided, and we would like to rectify this by submitting revised inputs. The corrected data for Metric 5.2.1.2 and the associated data for the metric 5.2.1.1 are presented in the table below:

5.2.1.1. Number of outgoing students placed and / or progressed to higher education year wise during the last five years					
Academic Year	2022-23	2021-22	2020-21	2019-20	2018-19
Number of outgoing students placed and / or progressed to higher education year wise during the last five years	268	274	356	262	238
5.2.1.2. Number of outgoing students year wise during the last five years					
Academic Year	2022-23	2021-22	2020-21	2019-20	2018-19
Revised number of outgoing students year wise during the last five years	468	407	381	390	393

The revised inputs in the above table accurately represent the number of outgoing students for each academic year during the last five years.

We kindly request that the updated entry provided above be considered for the calculation of Metric 5.2.1 (Percentage of placement of outgoing students and students

progressing to higher education during the last five years). This corrected data reflects the actual statistics and ensures the accuracy and integrity of our submission.

We apologise for any inconvenience this may have caused and sincerely appreciate your understanding and cooperation in this matter.
