DECLARATION

I hereby confirm that the e-governance facilities of our college, which include the college website, Fedena (Management Information System software), and the ORICE Digital Studio, have been developed using the funds allocated from the following heads:

1. IT Grid
2. NAAC (2022-03-103-74-00-34)
3. Modernisation of ORICE Classroom

The development and implementation of these e-governance facilities were made possible through the financial support provided by the above-mentioned heads, and they have significantly contributed to the enhancement of administrative efficiency, academic management, and overall service delivery within our institution.

We wish to emphasize that these e-governance initiatives have played a crucial role in streamlining administrative processes, ensuring efficient student management, and facilitating digital content creation and dissemination. These initiatives align with our commitment to embrace modern technology for the betterment of our academic community and stakeholders.

I hereby confirm that the e-governance facilities, including the college website, Fedena, and the ORICE Digital Studio, have been developed utilizing the funds released from the mentioned heads. This declaration is made in accordance with the established guidelines and to provide transparency regarding the utilization of these funds.
