6.2 STRATEGY DEVELOPMENT AND DEPLOYMENT

6.2.2 Institution implements e-governance in its operations

1. Administration
2. Finance and Accounts
3. Student Admission and Support
4. Examination

Queries during DVV: HEI to pl submit 1. Institutional expenditure statements for the heads of e-governance implementation reflected in the audited statement. 2. Bills for the expenditure on implementation of e-governance in the areas of operation.

Responses to Queries (DVV) Metric ID - 6.2.2

We would like to emphasise that our institution is committed to implementing e-governance across various areas of operation, including Administration, Finance and Accounts, Student Admission and Support, and Examination. This comprehensive approach ensures the efficient use of e-governance in multiple facets of our organisation. Therefore we stick to the claim under this metric during SSR submission.

As demanded during the DVV process, we are pleased to submit the following documents:

1. The audited income and expenditure statement which highlights the various heads of expenditure related to e-governance, including IT Grid, NAAC (2022-03-103-74-00-34), and Modernisation of ORICE Classroom.
2. Additionally, we have provided bills that account for the expenditure on the implementation of e-governance in these operational areas.

It's important to note that, as a government college, we predominantly rely on government-sponsored facilities and systems for e-governance. Furthermore, many of the e-governance systems we utilise, such as PFMS, FFMS, and SPARK, are maintained by the Government of Kerala with regular updates. Therefore, there is no requirement for individual purchases or additional expenditure in these areas.
