Responses to Queries (DVV) Metric ID - 6.3.3

We have carefully reviewed the data provided under Metric 6.3.3.1, which pertains to the total number of teaching and non-teaching staff participating in Faculty Development Programmes (FDPs), Management Development Programmes (MDPs), professional development, and administrative training programs during the last five years based on the DVV findings provided.

Following the DVV comments, we have made the following update.

1. To reflect the changes accurately, we are providing our revised input for Metric 6.3.3.1 in an Excel format. This updated input adheres to the specified criteria and aligns with the provided guidelines.
2. Additionally, we have reviewed the list of non-teaching staff, and it has been verified that there are no deviations from the list provided earlier. Therefore, we maintain the number of non-teaching staff of our institution as originally submitted under Metric 6.3.3.2.
