DECLARATION

I, Dr. Ananthapadhma A. L., the Principal of Government College Kasaragod, hereby issue this declaration to provide a justifiable explanation regarding the facilities claimed under the metric 7.1.2. While it is accurate that we do not possess geotagged photos taken during the installation of these facilities, we would like to emphasize the following points:

All the facilities claimed under this metric were installed during the assessment period and were not recently created.

These facilities have been an integral part of our institution and have contributed significantly to our overall operations.

To ensure the accuracy and authenticity of our claim, we have incorporated geotagged photographs of these pre-existing facilities for submission in the Self Study Report (SSR).

These photographs serve as visual evidence of the existence and utilization of the claimed facilities within our institution.

We recognize the importance of providing verifiable information, and we have taken steps to do so by including the geotagged photographs as supporting documentation. In addition, to confirm the accuracy of this claim, we attach this declaration from our Principal's office. This declaration signifies our commitment to transparency and accountability in all our submissions.
