Responses to Queries (DVV) Metric ID - EP 2.2

We have exclusively considered teaching positions for the claim associated with the extended ID 2.2. However, upon reviewing the submitted list, we found an inadvertent omission of Dr. Anumol C. N. from the Department of Physics for the academic year 2022-23. Therefore, for the 2022-23 academic year, we have revised our input to 100, while all other academic years remain unchanged.

It's important to note that as a government college, we diligently adhere to statutory regulations by ensuring that we maintain the necessary number of faculty members. This commitment ensures that nearly all sanctioned positions are filled annually. In cases where permanent faculty members become temporarily unavailable due to government-mandated transfers, we appoint guest faculty members every year to meet the statutory teaching requirements.

1. As required during the DVV, we have provided a comprehensive list of teachers with their department affiliations during the assessment period for each year duly authenticated by the Principal of HEI.
2. Additionally, we have attached a table that directs to the appointment orders for all faculty members who have worked at the HEI during the assessment period.
3. Furthermore, we would like to emphasize that the two positions within the Department of Physical Education at Government College Kasaragod hold the official designation of Assistant Professors in Physical Education, and they do not fall under the category of Physical Instructors. Both of these faculty members carry out regular teaching responsibilities within our HEI.
4. To substantiate the categorization of these roles as teaching positions, we have provided the following supporting documents:

- A declaration from the Principal confirming their designation.
- Salary slips of these faculty members, clearly indicating their job titles.
- The syllabus of the courses offered by the Physical Education Department.
- Attendance sheets for courses conducted by Physical Education.
